Your Duty of Disclosure

Before you enter into this contract of insurance, you have a duty of disclosure under the *Insurance Contracts Act 1984* (Cth).

The duty applies until we first agree to insure you, and where relevant, until we agree to any subsequent variation, extension, reinstatement or renewal (as applicable).

Answering our questions

In all cases, if we ask you questions that are relevant to our decision to insure you and on what terms, you must tell us anything that you know and that a reasonable person in the circumstances would include in answering the questions.

It is important that you understand you are answering our questions in this way for yourself and anyone else that you want to be covered by the contract.

Variations, extensions and reinstatements

For variations, extensions and reinstatements, you have a broader duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

Renewal

Where we offer renewal, we may, in addition to or instead of asking specific questions, give you a copy of anything you have previously told us and ask you to tell us if it has changed. If we do this, you must tell us about any change or tell us that there is no change.

If you do not tell us about a change to something you have previously told us, you will be taken to have told us that there is no change.

What you do not need to tell us

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to tell us, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Significant Features and Benefits

Your policy provides you with financial protection for your home and/or your home contents, depending on the cover you have chosen. Optional additional cover for your valuable items can be taken if you have insured your contents. Cover for your legal liability as owner of the home is automatically provided if you insure your home. Cover for your legal liability as occupier of the home, and for your personal legal liability anywhere in the world, is automatically provided if you insure your contents.

Your home, contents and valuable items are covered for accidental loss or damage.

In addition to the protection provided by your policy, we offer the following important benefits:

- various discounts – refer to ‘Cost of Your Policy’ section of the policy;
- a choice of payment methods – refer to ‘Cost of Your Policy’ section of the policy, including monthly instalments;
- a choice of excesses – refer to ‘Excess’ section of the policy;
- new for old replacement;
- automatic indexation of your home and/or contents sums insured – refer to ‘Automatic Indexation’ section of the policy;
- cover for flood.

Cost of Your Policy

The amount that we charge you for this insurance when you first acquire your policy and when you renew your policy is called the premium. The premium is the total that we calculate when considering all of the factors which make up the risk, such as:

- the insured value of your home;
- contents or valuable items (sums insured);
- the construction material of your home;
- the location, type and use of any property being insured;
- your previous insurance and claims history.

The total cost of your policy is shown on your policy schedule and is made up of your premium plus Government Taxes such as, GST, Stamp Duty and Fire Service Fees.

Your total insurance premium will also include any discounts that you may be entitled to receive. We currently offer a range of standard discounts including:

- if you have combined home and contents cover;
- if you have not made a claim in the last 1, 2 or 3 years;
- if you have a security system;
- if you are over fifty (50) years of age.

We may also offer special discounts to some customer groups.

Paying your premium

Various options are available for paying your premium including:

- annual payment by cheque, credit card or cash;
- monthly or annual instalments by direct debit from your credit card or bank, building society or credit union account.

An instalment fee will apply if you choose to pay in monthly instalments by direct debit. A credit card processing fee may also apply on all credit card transactions (annual and instalment payments).

What happens if you do not pay the cost of your policy by the due date?

We will have the right to cancel your policy if you do not pay your premium by the due date or if your payment method is dishonoured and therefore we have not received your payment by the due date. Unless we tell you, any payment reminder we send does not change the expiry of your cover or the due date of your premium.

Paying by instalments

Where you pay your premium by instalments the following will apply:

- We will not pay any claim if at the time the incident giving rise to the claim occurred, at least one instalment of premium remained unpaid for fourteen (14) days or more.
- Where you pay your premium by monthly instalments and we have not received an instalment payment, we will send you a notice in writing regarding your non-payment at least fourteen (14) calendar days before any cancellation by us for non-payment.

If after sending the above notice we do not receive the instalment payment, we will send you a second notice in writing, either:

- a. prior to cancellation, informing you that your policy is being cancelled for non-payment; or
- b. within fourteen (14) days after cancellation by us, confirming our cancellation of your policy.

- In the event of a claim, any balance of the annual premium will become due before settlement of the claim. Alternatively, it may be deducted from the settlement of your claim.
- If the financial institution holding your account returns or dishonours a direct debit payment due to lack of funds in your account, we will charge you for any direct or indirect costs which we incur arising from the payment being returned or dishonoured.

Other costs, fees and charges

Other costs, fees and charges which may be applicable to the purchase of your insurance policy include:

Costs or fees	Details
Agency Fee	<p>An agency fee of:</p> <ul style="list-style-type: none"> • up to \$71.50 inclusive of GST for home and contents policies; or • up to \$44 inclusive of GST for contents only policies; <p>is payable by you to cover the agent’s administration cost of preparing and distributing your policy. The agency fee is noted on your policy schedule and is not refundable in the event of cancellation, unless the insurance contract is cancelled within the cooling-off period or is a full term cancellation.</p>
Refund of Premium	<p>You may cancel your policy at any time. If you choose to cancel your policy we will retain a portion of premium which relates to the period for which you have been insured. We will refund the residue for the unexpired period less any non-refundable government taxes or charges, provided that no event has occurred where liability arises under the policy.</p>

Costs or fees	Details
Instalment Fee	If you choose to pay your premium in monthly instalments, an instalment fee of \$66 inclusive of GST per annum will apply. This fee will cover the agent's administration costs of processing your instalment plan. The fee will be divided equally and charged across the number of instalments. The instalment fee is not refundable in the event of cancellation, unless the insurance contract is cancelled within the cooling-off period or is a full term cancellation.
Credit Card Processing Fee	A credit card processing fee may apply on all credit card transactions. A surcharge of up to 0.99% inclusive of GST of the total cash amount depending on the type of credit card used may apply. The percentage payable will be shown on your tax invoice. Please refer to your tax invoice. The credit card processing fee is not refundable in the event of cancellation.
Commissions	SGL or Custom Home Insurance may receive a commission payment from us when your policy is issued and renewed. If you cancel your policy, this commission payment may be non-refundable. For details of the relevant commission paid, please refer to the Financial Services Guide or contact SGL or Custom Home Insurance directly.

Excess

Your policy has a standard excess of \$300 for each claim made under the home, contents or liability sections. You can also choose from the following alternative excesses – \$500 or \$1,000. The excess you have chosen will be shown on your policy schedule. Your premium will be reduced if you choose a higher than standard excess.

In addition to the selected excess, you will be required to pay a further excess of:

- \$200 for loss or damage caused by earthquake or tsunami;
- \$2,000 for loss or damage caused by flood.

If you make a claim under the valuable items section, you will be required to pay an excess of \$50 or \$100. The amount of that excess will be determined by the item that is lost or damaged. Your policy schedule will show which excess applies to which items.

GST Information

When we make a payment for the acquisition of goods, services or other supply, we will reduce the amount of the payment by the amount of any GST input tax credit that you are, or will be, or would have been entitled to, in relation to the acquisition, whether or not that acquisition is actually made.

When we make a payment under this policy as compensation (instead of payment for the acquisition of goods, services or other supply) we will reduce the amount of payment by the amount of any GST input tax credit that you would have been entitled to had the payment been applied to acquire such goods, services or other supply.

Automatic Indexation

To provide some protection against the effects of inflation we adjust the sums insured for your home and home contents each year as your policy becomes due for renewal. The sums insured are adjusted by a percentage amount determined by us from time to time to approximate movements in home building costs and the rate of inflation. Your renewal invitation will show the adjusted sums insured and the premium payable. You may choose to vary the sums insured prior to renewing your policy.

In addition, in the event of a claim for a total loss during the period of insurance we will adjust the sums insured for your home and home contents in line with movements in the Consumer Price Index (CPI), as published by the Australian Bureau of Statistics, between the last policy renewal date and the date of the total loss. For example, if your home was insured for \$200,000 and the CPI has increased by 3 per cent between your last renewal and the time of the total loss of your home, we will increase your cover for your claim to \$206,000.

Policy Matters

Alteration of risk

Unless and until we agree in writing to cover the alteration of risk and you pay any additional premium required we shall not be liable for the loss, damage or liability caused by or contributed to by such alteration. Where a return premium results from an endorsement, we will refund the amount provided that no event has occurred where liability arises under the policy.

Unoccupancy

If your home is not occupied for more than ninety (90) consecutive days, you must tell us and obtain our written agreement for cover to continue. If you do not do so, the cover for buildings and contents is limited to lightning, thunderbolt and earthquake for the period in excess of ninety

(90) consecutive days during which you have left the home unoccupied. The period of ninety (90) consecutive days is calculated from the date when you last occupied the home, regardless of the commencement or renewal date of the policy.

Transfer of interest

No interest in this policy may be transferred without our written consent.

Flood waiting period

We will not pay any valid claim for loss or damage arising from flood for the first thirty (30) days from the commencement of this policy or any amended cover subsequently placed. However, we will cover you for claims for loss or damage arising from flood within that period if immediately prior to commencing this policy, another policy covering the same risk expired, without a break in cover.

Cancellation

Section I

Buildings and Contents

What is covered

Your buildings and/or your contents as set out in your schedule are covered if they are destroyed, lost or damaged. They are covered only if you own them, or are liable for them, and have insured them under this policy.

If you only insure your buildings, the cover provided under the policy for destruction, loss or damage does not apply to your contents.

If you only insure your contents, the cover provided under the policy for destruction, loss or damage does not apply to your buildings.

Your buildings and your contents are covered while at your situation. Cover for your contents while away from your situation is provided subject to the conditions and limitations set out in 'Cover for your contents away from your situation' section of the policy.

We will cover your buildings and your contents for accidental loss or accidental damage. There is some loss or damage we will only cover under specific conditions. This is accidental loss or accidental damage caused by:

- Erosion, landslide, subsidence or earth movement. This includes loss or damage to any gates, fences or retaining walls that are entirely or partly at the situation. However, the cover only applies if the loss or damage occurs within seventy-two (72) hours of, and as a direct result of, one of the following events:
 - storm, storm surge, flood, tsunamis, rainwater, hail, snow or wind, tornado or cyclone;
 - earthquake, subterranean fire or volcanic eruption;
 - explosion; or
 - escaping liquid.

- Mechanical or Electrical Breakdown. If you select cover for your buildings, we will pay for loss or damage caused by mechanical or electrical breakdown to built in:
 - air conditioners, coolers and fans;
 - dishwashers, spas and pool filter motors; and
 - vacuum cleaners, security gates or garage doors.

We also pay the cost to repair or replace an electrical machine or appliance that forms part of your buildings if it has a mechanical or electrical breakdown.

If you select cover for your contents, we will pay for loss or damage caused by mechanical or electrical breakdown to:

- refrigerators, freezers, washing machines, clothes dryers;
- portable air conditioners and coolers, portable fans;
- portable vacuum cleaners, spa and pool filter motors, if the spa and pool motor is not built-in or portable dishwashers; and
- water pumps used for domestic purposes.

We also pay the cost to repair or replace an electrical machine or appliance that forms part of your contents if it has a mechanical or electrical breakdown.

Unless the mechanical or electrical breakdown is caused by the fusion of an electric motor, we do not pay for the mechanical or electrical breakdown of:

- radios, DVD and CD players, audio and amplifying equipment, televisions and video players;
- sound or video recorders or cameras or microwave ovens;
- equipment or motor under manufacturer's guarantee or warranty;
- any item which is more than fifteen (15) years old.

If the mechanical or electrical breakdown is caused by fusion of an electric motor, for motors which are more than fifteen (15) years old from the date of purchase or rewinding, you will have to contribute towards the total

cost of repair or replacement including labour charges as follows:

- for each additional year over fifteen (15) years old – 20 per cent per year. In no case will your contribution exceed 90 per cent after applying the excess.
- Power surge. If damage to domestic appliances or domestic equipment occurs as a result of power surge, we will repair, reinstate or replace it. We decide which one we will do. We will only do this if the appliance or equipment is fifteen (15) years old or less.

What we will not pay for

We will not cover your buildings and your contents for any accidental loss or accidental damage caused by:

- Erosion, landslide, subsidence or earth movement except as described in 'What is covered' under Section 1 Buildings and Contents.
- Settling, shrinkage or expansion in buildings, foundations, walls or pavements.
- Water entering your buildings:
 - through an opening made for any building, renovation or repair work; or
 - because of a structural defect, faulty design or faulty workmanship when your buildings were constructed that you knew about (or should reasonably have known about) and did not fix before the loss or damage occurred (e.g. if there are signs that a defect previously caused damage, we will not pay a later claim for further damage from this defect).
- Rust, corrosion, gradual deterioration, depreciation, wear or tear. However, we will pay for any resultant destruction, loss or damage to your buildings or contents that is caused directly by any other event which is not otherwise excluded by this policy.
- Rats, mice or insects gnawing, biting, chewing, clawing, scratching or in any way polluting or contaminating your buildings or contents. However, this exclusion only applies to damage caused directly by the gnawing, biting, chewing, clawing, scratching, polluting or contaminating.

For example, if a mouse chews through an electrical wire, which leads to a fire, the destruction or damage caused directly by the fire would be covered by this policy. We would not however pay for the damage to the electrical wire caused by the mouse chewing the wire.

- Roots from trees, plants, shrubs or grass. However, this exclusion only applies to damage caused directly by the roots. For example, if tree roots damage and block a pipe, we will pay for the resultant destruction or damage to the building caused by water overflowing in the building. We will not however pay for the damage to the pipe.
- Any process of cleaning involving the use of chemicals other than domestic household chemicals.
- A defect in an item, faulty workmanship, structural defects or faulty design that you knew about or should reasonably have known about and failed to fix.
- Malicious damage or vandalism by a tenant.
- Theft from any part of the buildings which you share with another person who is not insured under this policy.
- Theft by a tenant.
- Deliberate or intentional acts by a tenant.
- Mechanical or electrical breakdown other than mechanical or electrical breakdown as described above, unless the breakdown results in loss or damage to your buildings or contents.

We will pay these costs when they relate to loss or damage caused by or arising from accidental loss or accidental damage that is covered by this policy:

- If you are unable to live in your buildings after loss or damage has occurred, we will pay for you to rent another property. We will pay an amount equal to the amount that your buildings could have been rented out for each week if the loss or damage had not occurred.

We will pay these costs for up to twenty-four (24) months. The most we will pay for these costs is the greater of \$20,000 or 20 per cent of your buildings sum insured, as listed on your schedule.

We will reduce the amount we pay you, or stop paying you, if:

- you receive any payment for rent from another source; or

- You are fully insured again for your buildings for the amount shown in your schedule following a claim unless your claim is for a total loss. If your claim is for a total loss

and we pay you the sum insured, then the cover for your buildings will end, however liability cover will remain in force until the expiry date of the policy.

- We will pay the costs necessary to meet the requirements of any statutory authority in connection with rebuilding or repairing the buildings at the situation. We will not pay any costs which resulted from any notice which a statutory authority served on you before loss or damage to your buildings occurred.

- If your buildings are tenanted, or in between tenants at the time the destruction, loss or damage occurs, and cannot be lived in by tenants after the destruction, loss or damage has occurred, we will pay up to 20 per cent of your building's sum insured for your loss of rent or rentable value.

If you have cover for your buildings and you have entered a contract to sell your home, we will extend your buildings cover under the policy to the purchaser from when the purchaser becomes liable for any damage to the home until the contract is settled or terminated, or until the purchaser insures the home, whichever happens first.

- Are on the way to, or from, or in, commercial storage, unless we have agreed to cover them under 'Additional things we will pay for when you have insured your contents'.

This cover will commence from when you first start to move your contents to your new situation. We do not provide cover for your contents while they are being moved unless we have agreed to cover them under 'Additional things we will pay for when you have insured your contents'.

You must tell us that you are permanently moving your contents to a new situation within forty-five (45) days from the day you first start to move.

Strata title mortgagee protection

This benefit only applies if your buildings are part of a strata title development, and you have a mortgage loan in respect of your buildings.

If the body corporate of the strata title development in which your buildings are located:

- has failed to insure the buildings in the strata title development; or
- has taken out insurance for an amount which is insufficient to pay the cost of rebuilding the buildings in the strata title development;

and during the period of insurance your buildings are damaged by an event covered by this policy, we will pay the lesser of:

- the unpaid balance of your mortgage loan at the date of loss or damage; or
- the sum insured for contents shown in your current schedule.

We will pay this to your mortgagee when you are required to repay your mortgage in full following loss or damage to your buildings.

Paying Claims

Excesses that apply when you make a claim

An 'excess' is your contribution towards the cost of a claim. We will tell you if you need to pay an excess when you make a claim.

In most instances you can select, at the time of your enquiry or application for insurance, the amount of the excess you wish to pay should you make a claim.

When you select a higher excess amount we will normally reduce the amount of the premium you will have to pay.

For each claim for your buildings or your contents, we will reduce the amount we pay you for your claim by the amount of the excess. The amount of your excess is shown on your schedule.

Your excess will be increased by \$200 for any claim for loss or damage arising from an earthquake, subterranean fire or tsunami. All destruction, loss or damage occurring within a period of seventy-two (72) consecutive hours of the earthquake, subterranean fire or volcanic eruption or tsunami is one (1) event.

Your excess will be increased by \$2,000 for any claim for loss or damage arising from a flood.

When a claim is paid for loss or damage to your buildings and your contents, the excess amount will only be applied once. You will not be required to pay any excess in the event that your building or contents are a total loss.

The most we will pay for your buildings or your contents

The most we will pay for any claim for your buildings or your contents is the sum insured shown on your schedule. This does not apply to amounts payable under 'Additional things we will pay for when you have insured your buildings', or 'Additional things we will pay for when you have insured your contents', or 'Additional things we will pay for when you have insured your buildings and/or contents'.

There are some contents items that we will only cover up to a certain amount. See 'What are your contents' section of the

policy for details of these contents items and the amounts we will pay.

How we pay a claim for your buildings

When loss or damage occurs to your buildings, we will pay the cost of rebuilding your buildings or repairing the damaged portions to the same condition as when they were new.

If you choose to have your buildings replaced at another site, and we agree, we will not pay more than the sum insured, as shown in your policy schedule, applicable to your buildings at your insured situation.

Rebuilding or repairing your buildings must commence within six (6) months of the loss or damage occurring. If it does not commence within six months of the loss or damage occurring (or any other period which we agree with you), you may have to pay any increase in cost caused by your delay.

We will pay for the damaged portions of fixed coverings to walls, floors and ceilings only in the room, hall or passage where the damage occurred.

We will try to match any material used to repair your buildings with the original materials. If we cannot, we will use the nearest equivalent available to the original materials. We will not pay any costs for replacing undamaged property.

If the damage was caused by liquid that escaped from a bath, basin, sauna, spa, shower base or shower wall, we will pay the costs to repair your buildings. We will not pay the costs to repair or replace the bath, basin, sauna, spa, shower base or shower wall.

We guarantee that if a defect arises in the lifetime of your buildings as a result of poor quality workmanship or use of incorrect or poor quality materials, when we replace, repair or rebuild your buildings, provided that we:

- have directly authorised the replacement, repair or rebuilding;
- have arranged the replacement, repair or rebuilding; and
- have paid, or have a legal liability to pay the supplier, repairer or builder directly for this work;

then we will rectify the problem by arranging, directly authorising and paying for further replacement, repair or rebuilding.

This guarantee does not apply to:

- any building replacement, repairs or rebuilding that you arrange, authorise or make yourself (this applies even if we give you or a supplier, repairer or rebuilder a cheque for all or part of the replacement, repair or rebuilding costs);
- loss, damage or failure of any electrical or mechanical appliances or machines that form part of your buildings; or
- wear and tear consistent with normal gradual deterioration of your buildings (e.g., paint peeling off as part of its normal life cycle, wood rotting from moisture in the air or ground, roofs weathering or a hot water system leaking as a result of normal gradual deterioration).

We will pay for the damaged portion of fixed coverings to walls, floors and ceilings only in the room, hall or passage where the damage occurred.

We will not pay any costs for replacing undamaged property.

We will try to match any material used to repair your buildings with the original materials. If we can not, we will use the nearest equivalent available to the original materials. However, if:

- it is impossible to acquire new material to replace the damaged material that reasonably matches the undamaged portion to a similar extent as immediately prior to the loss or damage occurring; and
- the amount of damaged material that can not be matched to the undamaged material is more than 40 per cent of the total material that would have to be replaced if all the matching damaged and undamaged material was replaced, then we will replace both the damaged and undamaged material.

Your buildings sum insured safeguard

If we determine that the cost to repair or replace your buildings is greater than your buildings sum insured, then we will pay up to 30 per cent more than your buildings sum insured to:

- repair your buildings to the condition it was in at the time immediately before it was destroyed, lost or damaged; or
- replace your buildings; or
- pay the reasonable cost of your buildings repair or replacement.

We will decide which one we will do.

This 'Buildings sum insured safeguard' applies only if:

- you have insured your buildings under this policy and your buildings are destroyed or are so extensively damaged by an event covered by this policy and we consider the loss or damage to be a total loss; and
- the cost to repair or replace your buildings is greater than your buildings sum insured because either:
 - the increased cost of repairing damage to your buildings was caused directly by a catastrophic event; or
 - you, or your Steadfast broker, can demonstrate that you provided all information required by your Steadfast broker to correctly use the Steadfast Home Sum Insured Building Calculator (which is available to all Steadfast brokers) to calculate your buildings sum insured, and:
 - your buildings are substantially the same as when your Steadfast broker used the Steadfast Home Sum Insured Building Calculator (for example, you have not added to nor extended your buildings); and
 - you have not reduced any sum insured that we have offered on any renewal invitation since your Steadfast broker used the Steadfast Home Sum Insured Building Calculator.

For the purposes of this 'Buildings sum insured safeguard', a 'catastrophic event' means a suddenly occurring, major, natural disaster that is covered under this policy, where the resultant loss or damage to property in the vicinity of your buildings is so extensive and widespread that the consequent increase

in demand for the materials and labour required to repair your buildings causes a material increase in the cost of those materials and labour.

This 'Buildings sum insured safeguard' only applies in respect of your buildings covered by this policy. It does not apply to any other property or items insured under this policy nor to any other additional coverages or benefits provided under this policy.

Rebuilding or repairing your buildings must commence within six (6) months of the destruction, loss or damage occurring. If it does not commence within six (6) months (or any other period which we agree with you in writing) you may have to pay any increase in cost caused by the delay.

How we pay a claim for your contents

When loss or damage occurs to any of your contents items, we will do one of the following:

- replace the item with the nearest equivalent new item;
- repair the item to the condition it was in when new;
- pay you the cost of replacement or repair.

We decide which one we will do.

We will pay the cost of replacement for:

- carpets;
- wall, floor and ceiling coverings; and
- internal blinds and curtains;

only in the room, hall or passage where the loss or damage occurred.

When an item is part of a pair, set, system or collection, we will only pay for the value of the item itself. The most we will pay is the value that the item has as a proportion of the combined pair, set, system or collection. We will only pay the cost of replacing the item even though the pair, set, system or collection to which it belongs is less valuable because it is incomplete.

Your Liability Cover

What you are covered for

- If your policy covers your buildings, we will cover you against any claim for compensation or expenses which you become legally liable to pay for:

- the death of, or personal injury to, any person;
- damage to property;

resulting from an occurrence during the period of insurance arising out of the ownership of your buildings or occupancy of your buildings.

For this liability cover only your buildings include land, trees, shrubs and other plant life.

- If your policy covers your contents and you live in a rented building, we will cover you against any claim for compensation or expenses which you become legally liable to pay for:

- the death of, or personal injury to, any person;
- damage to property;

resulting from an occurrence during the period of insurance arising out of the ownership of your contents or occupancy of the building. This does not include any amount you have to pay because you are the owner of your buildings.

- If your policy covers your contents and you own part of a building that is a strata titled residence, we will cover you against any claim for compensation or expenses which you become legally liable to pay for:

- the death of, or personal injury to, any person;
- damage to property;

resulting from an occurrence during the period of insurance arising out of the ownership of your contents or occupancy of the part of the building you own.

- If your policy covers your contents, we will cover you against any claim for compensation or expenses which you become legally liable to pay for:

- the death of, or personal injury to, any person;
- damage to property;

resulting from an occurrence during the period of insurance anywhere in the world. This does not include any amount you have to pay because you are the owner or occupier of your buildings.

Definitions for your liability cover

'Personal injury' means bodily injury, death, sickness, disease, disability, shock, fright, mental anguish and/or mental injury, including resultant loss of consortium or services, libel, slander or defamation of character, including death.

'Personal injury' does not include the publication or utterance of a libel or slander:

- made prior to the commencement of the period of insurance; or
- made by or at the direction of you with knowledge of its falsity; or
- relating to advertising, broadcasting or telecasting activities by or on behalf of you.

'Damage to property' means:

- physical damage to or destruction of tangible property, including the loss of its use;
- loss of use of tangible property, which has not been physically damaged, lost or destroyed, provided the loss of use is as a direct result of an occurrence.

Tangible property includes, but is not limited to, the cost of recreating or replacing stocks, bonds, deeds, mortgages, bank deposits and similar instruments but does not include the value represented by such instruments.

'Occurrence' means:

- a single incident that is not intended or expected;
- a series of incidents or continuous or repeated exposure to substantially the same general conditions, which:
 - are not intended or expected; and
 - have the same cause; or
 - are attributable to the same source.

An 'occurrence' includes continuous or repeated exposure to substantially the same general conditions. We regard all death, personal injury or loss or damage to property arising from one original source or cause as one occurrence.

Limit of your liability cover

The most we will cover for any liability claim is \$20,000,000 for any one occurrence.

We do not pay more than this amount in total under all policies we have issued to you which cover the same liability.

Additional benefits

If your policy covers your buildings or contents, or both, your liability cover includes the following additional benefits:

Defence costs

In addition to the limit of your liability cover, if we agree you are entitled to liability cover under this policy in respect of an occurrence, we will also pay legal costs incurred with our consent to defend the claim.

Expenses incurred in attending court

In addition to the limit of your liability cover, we will pay or reimburse you for reasonable expenses incurred in attending court in relation to a liability claim covered by this policy at our request up to \$250 per day but excluding the first day, (where no court appearance expenses will be paid) and up to a total of \$5,000 in any one (1) period of insurance for proven income loss. We will only reimburse income loss for days on which you are not able to conduct any income-earning activity whatsoever on the day of the court appearance.

If you are:

- self employed or a working director, then 'income' means the gross daily income from such personal exertion after allowing for the cost and expenses incurred in deriving that income; or
- an employee, then 'income' means the gross daily income from personal exertion, excluding overtime payments, bonuses, commissions or allowances.

In each case the amount of your income will be averaged over the twelve months immediately preceding our request or such shorter period during which you have been so engaged. You must provide any documentation, records, correspondence or other information that we request in support of any claim for lost income.

If your policy covers your contents, your liability cover also includes the following additional benefits:

- motorcycles up to 250cc capacity;
- mobility scooters;
- golf buggies;

- the death of, or personal injury to, any person arising from the ownership, custody, or use of any registered vehicle if the occurrence causing the death or personal injury takes place at the situation and occurs during your period of insurance.

The most we will pay for all claims arising out of any one occurrence under this additional benefit is \$20,000,000.

In addition to the limit of your liability cover, if we agree you are entitled to liability cover under this additional benefit in respect of an occurrence, we will also pay legal costs incurred with our consent to defend the claim.

We do not cover you:

- if you are entitled to be wholly or partly insured by any compulsory statutory insurance or accident compensation scheme, or would have been, but for failure to register the vehicle or to apply for cover under the insurance or scheme or to comply with a term or condition of the insurance or scheme;
- if you are entitled to be wholly or partly protected by any other policy of insurance which specifically covers compulsory third party motor vehicle liability;

Paying Claims

How we pay a claim for a valuable item

When accidental loss or accidental damage occurs to a valuable item, we will do one of the following:

- replace the item with the nearest equivalent new item;
- repair the item to the condition it was in when new;
- pay you the cost of replacement or repair.

We decide which one we will do.

When a valuable item is part of a pair, set, system or collection, we will only pay the value of the item itself. We will reduce any payment for loss of, or damage to, an item under this section by the amount we pay you for the same item under your contents cover.

Limit for valuable items

The most we will pay for any one item, pair, set, collection or system is \$10,000 for valuable items.

You can insure items, pairs, sets, collections or systems that are worth more than the above limit for their actual value as specified valuables.
