

Information on the NSW Emergency Services Levy

This notice is relevant if you are a NSW resident

CHUBB®

Information

The Emergency Services Levy (ESL) is a charge that has previously been added to the cost of your property insurance to fund fire and emergency services agencies in New South Wales.

On 30 May 2017, the NSW Government announced that it had deferred its policy of funding fire and emergency services through a property levy collected by councils. The Government has instead decided to continue funding these services by collecting an ESL on property insurance premiums.

The legislation reintroducing the obligation on insurance companies to collect the ESL became effective on 1 July 2017. As such, your insurance premium includes a charge for ESL.

NSW ESL Rates

The following ESL rates will be effective for Chubb accounts binding on or after 1 August 2017:

- 44% for Commercial Property accounts
- 20% for Homeowners Property accounts
- 1% for Motor Vehicle accounts

The Insurance Monitor

The Insurance Monitor was established in June 2016 as an independent body. One of its functions is to monitor the prices for the issue of regulated contracts of insurance. Professor Allan Fels AO and Professor David Cousins AM have been appointed by the NSW Government as the Emergency Services Levy Insurance Monitor and Deputy Monitor, respectively.
